

Overview

The Coca-Cola Company is a beverage retailer, manufacturer and marketer of non-alcoholic beverage concentrates and syrups. The company's flagship product is Coca-Cola, but it offers more than 500 brands in over 200 countries or territories and serves 1.6bn servings each day. The Coca-Cola Company is headquartered in Atlanta, Georgia. Its stock is listed on the New York Stock Exchange (NYSE).

As Egypt is one of the global markets Coca-Cola Bottling Company has huge investments where their warehouses are distributed all over the country. The challenge was to cover the entire warehouses yards all over the country in order to provide reliable Wi-Fi connectivity for the staff for daily operation.

Owing to the size of the warehouses and the structure of the buildings, the existing wireless network provided very limited coverage. NextGen Communications, our partner in Egypt replaced the network using Altai Super Wi-Fi Solution to provide 100% outdoor coverage. The staff can now access the company system with their handheld devices anytime, anywhere. The daily operation of the staff has increased greatly by their ability to access the company system smoothly and efficiently.

Customer Name:

Coca-Cola Bottling Company, Egypt

Deployment Location:

Egypt

Application:

Private network

Product used:

Altai A2

Result:

In just few days, the Altai Super WiFi covered the entire warehouses of Coca-Cola Egypt provide seamless wireless connection. Without complicated wiring or configuration, the system integrator can easily install the Altai equipment and build the network.

The Challenge

- Large area coverage
- Lack of tall building for installation

One of the warehouses coverage areas

The Solution

A2 APs are installed on the rooftop of the admiration buildings to provide access for the Yard using its 2.4GHz channel. A total of fifty branches were covered using A2 APs.

The Result

With the new wireless network available everywhere in the yard, the staff and workers are happy with the performance of Altai Super Wi-Fi. The daily operation greatly increased as the staff can access the system smoothly and efficiently.

About Altai

Altai Technologies is a leading supplier of carrier-grade Wi-Fi products and technologies with a distribution network reaching 100 countries. Altai Super WiFi is the leading solution for vertical industrial markets, covering over 200 terminal ports and airports globally.

The Altai Super WiFi Solution includes a complete portfolio of indoor and outdoor products for carriers, WISPs, and enterprises to support a wide range of applications such as mobile data off load, public access, WLAN access, and backhaul.
